

Receiving Revelation

December 15, 2021, revised for February 28, 2023

The Chess Board

Envision a chess board where the King of kings has won the game and remind the enemy that the match has already been won. It is checkmate for God's Kingdom reigns supreme over every lesser kingdom, and every deity pretending to call itself God.

However, the need of the saints is to recognize their role as sons of God and to agree with His will in the earth realm so that the plans of God continue to unfold on planet earth. Father desires them to triumph in full measure and in every area with finality and completeness. The Father has plans for His church, and for His people. The children of God are engaged in the working out of these plans. These plans include freeing captives (those held in captivity to spiritual bondages) and is linked to their freedom brought through Gods' sons and daughters. ***As a son or daughter, you get to participate!***

Confrontation with the world, its systems and structures is unavoidable but do not have fear, weakness, or feel vulnerable to the systems of this world because the greater Kingdom is coming closer and as it approaches in closer dimensions, the enemy is more wrathful and the battle is more easily seen.

This plays into the purposes and plans of the godhead and the church. The ecclesias of the earth are beginning to see the warfare be more evident. This should *not frighten you*. This *should enlighten you* to your part and your place and your position in Christ Jesus as overcomers.

You have already secured the triumph!

⁵⁷ But we thank God for giving us the victory as conquerors through our Lord Jesus, the Anointed One.

⁵⁸ So now, beloved ones, stand firm and secure. Live your lives with an unshakable confidence. We know that we prosper and excel in every season by serving the Lord, because we are assured that our union with

the Lord makes our labor productive with fruit that endures. (1 Corinthians 15:57-58) (The Passion)

*New revelation of God's people's role
and position in this victory is being released.*

You must have awareness of the war in spiritual places and allow it to motivate you to your position and role as a son of God, one who operates in assurance of the Father's business, His activity, and His plan.

Many things are being uncovered to your sight. Even now do not let the uncovering of evil frighten you.

*Do not have any agreement with fear
at any time, on any level, about anything!*

Angelic Cooperation

Work with the angels of God as they uncover the bold contradictions of the enemies' lies and shenanigans. It will cause your spirit to rejoice that you have knowledge of the one who overcomes all.

*Request angelic activity to work with the words of your mouth
as you release this knowledge into the various realms.*

These would be angelic realms, human realms, physical realms, and spiritual realms. The sons and daughters of God are beginning to see who they really are. They are beginning to know the triumphant power of God that dwells richly within them as they release it verbally; as they do this without religious thought but as a family member of God's family, born again through the blood and cross of Jesus.

As you do this your mind begins to shift to authority and you begin to see with wider acceptance your own *ability of agreement and alignment with the godhead* to enforce the victory of Jesus.

Surely this is a calling up of the armies of the church (and here I do not mean the angelic armies). I mean the armies of the sons who sometimes war and sometimes *release the angels to war*, and sometimes operate in **more kingly dispensations of the release of a Word of God**. Please know this.

Decreeing Properly

Kingly dispensational releases of the Word of God include decrees born of Heaven and not of the realm of earth. These are the decrees that result in changes in the realm of earth and in the regions under the earth and above the earth.

Many have made decrees that the Father never instructed them to make. Many decrees were born of the soul and can only result in soulish things. Many have made decrees because their pastor told them to without the mandate of Heaven.

However, we must consider what Isaiah wrote:

Woe to those who decree unrighteous decrees, who write misfortune, which they have prescribed ² to rob the needy of justice, and to take what is right from the poor of My people, that widows may be their prey, and that they may rob the fatherless. (Isaiah 10:1-2)

Unrighteous decrees will have results, but the end result of unrighteous decrees is far less than the best the Father has designed for us. Unrighteous decrees can produce misfortune, injustice, and robbery of God's people. Instead of the thief coming to kill, steal, or destroy, the people of God making decrees not borne of Heaven are doing the dirty work for him.

It behooves us to engage Heaven and access the Court of Decrees to discover what Heaven would have us decree. It is those decrees that get the angels of Heaven involved in their fulfillment.

Angels are on assignment to hear what the saints are saying.

It is those decrees that result in good fortune, justice and blessing upon the people of God. Words borne of our soul do not necessarily match the words of the Father.

We must understand that the words of the saints must match the words of the Father for angels to go to work.

Co-Laboring with Angels

Not only do we have angels assigned to us, you can also learn to co-labor with them to see things accomplished in your life, business, family, etc. Not only can you co-labor with them, you can also give them instructions concerning certain tasks. Psalm 103:20 tells us that angels hearken to the voice of the *dabar*. *Dabar* is a Hebrew word found over a thousand times in the Old Testament. It has multiple meanings. A *dabar* could be a spoken matter, a book, a business, a case, a commandment, a communication, a counsel, a decree, a deed, a (release of) glory, a judgment, a message, an oracle, a word or a work. Most translations say that angels hearken to the voice of the Lord or the word of God as if God himself has to actually utter the words from His mouth. This verse has far more possibilities than our typical translations limit us to. This verse tells us that angels hearken – give heed to – the Father’s business, His judgments, His decrees, His counsel, even the voice of His glory! For us to instruct them to carry out the instructions of the Father is not outside of our purview.

Even though we may have been commissioning our angels to order our steps, **we must also be in agreement with the work angels do in the process.**

I am talking about what you have as written word, but I'm also talking about what you as supernatural word, the rhema word, the breath of Yahweh; the spirit leading your ears and eyes to know an unfolding that needs to happen and the Father has decided of His will that He will work with His sons and daughters in the earth that His will would be done in the earth.

How does this work out against the plans of the enemy?

*You can supernaturally understand the plans of the enemy
so that you can circumvent them.*

After all, are you not from a more powerful kingdom?

Revelation may appear to your sight as to what the plans of wickedness would accomplish. This comes for the express purpose of *you bringing about the plans of God in that circumstance.*

You have learned this must be done in numerous ways: court cases, declarations, agreements, and the verbal releasing of that agreement, so that the angelic activity around you hearkens to that word. This is why you have been encouraged to learn how to co-labor with your angels.

Releasing Rhemas

*The Word of God released from your tongue is exactly what
angels listen for and they go to work.*

A cunning strategy of the enemy cloaked in religious garb says that you cannot talk to your angels, however that is a silly notion. Mary talked with Gabriel, Abraham talked with the 3 angels that visited him, others have engaged with their angels. See that for what it is – a distraction to keep you from expressing the authority you carry as a son. As long as you won't exercise your authority, he will continue to win every battle against you.

*For we have **the living Word of God**, which is **full of energy**, and **it pierces more sharply than a two-edged sword**. It will even penetrate to the very core of our being where soul and spirit, bone and marrow meet! It interprets and reveals the true thoughts and secret motives of our hearts. (Hebrews 4:12) (The Passion) (Emphasis added)*

*You **MUST** stand in who you are in whose you are!*

The Servanthood of Words

In Matthew 8, we read the story of the Centurion who came to Jesus:

⁵ When Jesus entered the village of Capernaum, a captain in the Roman army approached him, asking for a miracle.

⁶ “Lord,” he said, “I have a son who is lying in my home, paralyzed and suffering terribly.”

⁷ Jesus responded, “I will go with you and heal him.”

⁸ (⁸⁻⁹) But the Roman officer interjected, “Lord, who am I to have you come into my house? I understand your authority, for I too am a man who walks under authority and have authority over soldiers who serve under me. I can tell one to go and he’ll go, and another to come and he’ll come. I order my servants and they’ll do whatever I ask. So I know that all you need to do is to stand here and command healing over my son and he will be instantly healed.”

¹⁰ Jesus was astonished when he heard this and said to those who were following him, “He has greater faith than anyone I’ve encountered in Israel! (Matthew 8:5-10)

It was a powerful moment when Jesus talked to the Centurion because he saw the Centurion understood the servanthood of words.

This expressed what David wrote in Psalm 107:

¹⁹ Then they cried out to the LORD in their trouble, and He saved them out of their distresses.

*²⁰ He **sent His word and healed them**, and delivered them from their destructions.*

As a son, you can release the Word of God and it will serve you to bring healing, wholeness, victory, deliverance, freedom, and more. You simply need to agree with the Father that what you speak will be done.

Remember, words are servants.

Contained within each word is the power to reproduce what that word represents. If the word is 'healing,' it can produce healing. If the word is 'freedom,' it can produce freedom. Whatever the word describes, it can produce when released by the sons who are in authority.

What words are serving you?

Realize that you are not in authority unless you are under authority.

It does not work simply because you are opening your mouth and speaking. Rather, because you are in alignment with the government of God as a son, you can express that government in whatever arena Holy Spirit has led you into. Jesus gave you Power of Attorney¹ to act in his stead.

*When you speak, it is as if He were speaking.
When you touch, it is as if He were touching.*

Paul explained:

*Clearly you are **an epistle (a written message) of Christ**, ministered by us, written not with ink but by the Spirit of the living God, not on tablets of stone but on tablets of flesh, that is, of the heart. (2 Corinthians 3:3)*

Did not Jesus say to his disciples (of which you are one):

For assuredly, I say to you, whoever says to this mountain, 'Be removed and be cast into the sea,' and does not doubt in his heart, but believes that those things he says will be done, he will have whatever he says. (Mark 11:23)

That was not filler on a page in the Bible. It was a principle set forth by God and released by Jesus into the earth.

¹ John 14:12-15 Passion

What is in the unseen spiritual realm can be seen, known, heard, picked up, and understood by God's children maturing as they will. However, some choose not to mature.

Heaven has no issue with that because Heaven trusts the Spirit to do His work of revelation, so that minds begin to understand the role of the saved in the earth realm.

For too many seasons the church – the praying ecclesias have been shy concerning their true authority and ability. They have timidly moved forward. But NOW, they are beginning to walk in great power. They are beginning to express who the Father is in the earth because they are coming into agreement with Him.

Remember, there is great power where two or more agree and touch upon the same thing, asking of the Father to release His power to that thing.²

Many in this day are awakening to this and more will continue to awaken to it.

Scribe Angels

Not only do we have Scribe Angels, which have been sent out into the earth to record the words of the saints as they verbally release the Word of God, but there are other angels who have been released to *prompt the saints to release the Word of God*. Many among you are leaders in this while some are just coming into it.

What must be understood is the work of darkness to cloak the verbally released words of God's saints.

² Matthew 18:19

A word not released verbally has limited power. It is the release of that word aloud that joins forces with the power of God to do that which it was created for.

Words are warfare.

They end wars, begin wars, and settle wars. There has always been a clash of kingdoms.

However, from our viewpoint, ***this clash of kingdoms is only to grow up the saints to reveal to them their true position in Christ and the overcoming victory of God's Kingdom.***

Receiving Revelation

Be encouraged that new revelation can come to those who ask, seek, and hunger for it as if a starved man at a banquet. The Father wants to release revelation over their spheres of influence.

Remember, each sphere of influence has a boundary as apportioned to them by God.

- Are you filling up your boundary with the words of God?
- Are you asking angels to assist you in the receipt of revelation?
- Do you know the revelatory Word of God over a circumstance in your sphere?

The Lord has not left us unknowing, but in our day, we must receive the Word of the Lord by revelation, dreams, visions, and we will understand all of this through the lens of the goodness of God.

He wants to grow up His children. His plan is for the righteousness within his children to be seen. The people who are listening to LifeSpring are seeking to be these

mouthpieces in the earth. Some, if not most, are hidden in private and do this in their prayer work and this is causes Heaven to rejoice.

An army has been mobilized among God's people and any who desire to join simply join by faith, through what they release as the revelatory Word of God, not agreeing with the presentation of world structures, but *agreeing with truth through the Spirit of Truth* and through the opening of their spiritual ears. That is the work of angels in this area.

Is it not great fun?

I am using the word fun for when you see the outcome of a contended timeline as it settles through the verbal release of the ecclesia in agreement with the will and purposes of God.

Is it not a moment of joy where you see this take place through agreements of the Body of Christ on earth?

Your Common Goal

*Unity and a sense of oneness
comes from laboring together for common goals.*

*Let your common goal be
what is written in Scripture and what is revealed to you.*

Make room for different expressions of the same goals of heavenly places and give room to those among you who are empowered by the Spirit to fulfill their mission in this hour.

*Great joy comes from this as you see
enemy plots exposed and defeated.*

Many aspects of weaponry for the defeat of your enemies has been revealed in this hour through this ministry – the use of the capture bags, the engaging with your angels, the co-laboring, the utilization of bonds to open portals of righteousness into the earth.

Do not worry about the timeframe. Leave the timing of it to the heavenly realm – to the unseen realm and the activity of the angels. Believe me, they are at work. You are going to be able to sense their work in greater measure in future days. Let this cause your heart to rejoice.

It is possible to rejoice in advance of the manifestation of the result in the earth realm. Your spirit knows how to do this.

*Give permission to your spirit to come forth
and rejoice in the victory of the Lord in all circumstances.*

This will preserve your soul and keep it from weariness.

Focus on the things of the Lord.

Divide out (and you can request angels to help you with this) and *discern the frequencies of the Lord* and *the activities of angels* versus that of darkness. Your spirit is able to help you do this. Frequencies affect environments. You can be in a calm environment and if someone through their words or actions, or perhaps through the music being played releases wrong frequencies, it will affect the atmosphere and everyone in that atmosphere. You need to commission your angels to patrol your atmosphere to silence every unwholesome frequency affecting that atmosphere.

I call the angels assigned to me to come near.

*I commission you to patrol the atmospheres in and around my realms.
Capture every unwholesome frequency. Cleanse the atmosphere about me
and patrol my realms to keep the frequencies of Heaven dominant in and
around me, in Jesus' name.*
