

Creating a Cooperation Between Your Realms

As you begin reading this post, you want to be sure your spirit is forward and your soul is settled in a backward position. It may also be a good time for you to enlarge your soul so you can receive the revelation contained herein.

Earlier this week Stephanie and I were engaging Heaven for new levels of freedom. As part of that journey, I met Dr. Robert Rodich. He had some things to say that I want to share with you today!

“Scripture says we are made in God’s image. What image?¹

So, God created man in his own image, in the image of God created he him; male and female created he them.
(Genesis 1:27)

He is three-in-one and so are we. We have a physical body, a soul, and a spirit. Before the fall of man all three parts operated with incredible harmony and synchronicity.

Most agree our mind, will, and emotions reside in the soul. I have discovered ***each part of our nature has its own mind, will, and emotions.***

*Each part of our nature has
its own mind, will, and emotions.*

Because we start out being so soul dominated...that domination makes it appear our other two parts get their voice and personality entirely from the soul. Yet when we read all the scripture texts that address this subject none say it is only the soul that has these attributes.

When this was brought to my attention, I decided to put it to the test. **I spoke out loud and acknowledged each part of my being for their respective roles in making up my whole person and charged each to fulfill their role in unity and harmony.**

¹ Portions from *Moving Toward Sonship* by Dr. Robert Rodich

Activating Cooperation

Let's do this right now:

1. **Speak out loud.**
2. **Acknowledge each part of your being for their respective roles in making up your whole person.**

Soul, I acknowledge you and thank you for your role in my being.

Body, I acknowledge you and thank you for your role in my being.

Spirit, I acknowledge you and thank you for your role in my being.

Then,

3. **Charge each to fulfill unity and harmony role in**

Soul, I charge you to fulfill your role in unity and harmony with my spirit and body.

Body, I charge you to fulfill your role in unity and harmony with my spirit and soul.

Spirit, I charge you to fulfill your role in unity and harmony with my soul and my body.

I had immediate results by sensing a deep inner stirring and almost a sigh of relief. It was like I could hear my three parts were saying...he finally gets it. I went on to realize each was very excited to be enabled to a **higher standard of functionality and purpose.**

STEPHANIE'S TESTIMONY

For the naysayers...no, I didn't feel at that moment, nor do I feel now like I am three different people. Frankly, until I made this declaration, I didn't realize how dysfunctional I really was compared to how things are at present. Now my personal spirit is free to see into the heavenly realm, bring those realities to the part of my soul that interprets them for my understanding and then makes that

truth available so that my body can manifest it either for my personal benefit or to speak it into reality on planet earth. This is what sons (daughters) are supposed to do.

...and greater works than these will he do. (John 14:12)

There are those who teach that once we accept Christ as Lord and Savior, we have everything we need – which is true according to 2 Peter 1:3 which says,

*His divine power has given us everything we need for life and godliness **through our knowledge of him** who called us by his own glory and goodness.*

The essence of what this verse is telling us is that this is something that must be engaged. The potential is fully there yet has it been realized?

A real disconnect takes place when those interpreting scripture cannot distinguish between **potential** and **practice**. Just **because something is available to us doesn't mean we have activated it or know how to use it.**

Knowing we are a three-part being and that each part of us has a role is vital as we compare our present situation against the possibilities set forth in God's Word. **We may find things that need to be put out of each part of us so that those things that Father has put into us can rise to their proper place.** The goal of this process is so the person of our Savior assimilates himself into us in a way that we are less self, more Him and then more of who we really are. The natural-minded person will never get this, however as we move through this process it becomes ever clearer.

In 2 Corinthians 2:11-13, we read:

¹¹ *For what man knows the things of a man, except the spirit of man which is in him? Even so the things of God knows no man, but the Spirit of God.*

¹² *Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God.*

¹³ *Which things also we speak, not in the words which man's wisdom teaches, but which the Holy Spirit teaches; comparing spiritual things with spiritual.*

Add to this that it seems each member of the Trinity chooses to take responsibility for each part of us and **delights in showing special love and direction.**

Father oversees our spirit, Jesus our soul, and the Holy Spirit our body.

*And the very God of peace sanctify you wholly; and I pray God your **whole spirit and soul and body** be preserved blameless unto the coming of our Lord Jesus Christ. (1 Thessalonians 5:23) (Emphasis added)*

*What? know ye not that your **body** is the temple of the **Holy Ghost**, which is in you, which ye have of God, and ye are not your own? (1 Corinthians 6:19)*

Holy Spirit – oversees our body

*Let this mind be in you, which was also in Christ Jesus.
(Philippians 2:5)*

Jesus – oversees our mind/soul

*Now we have received, not the spirit of the world, but the **spirit which is of God**; that we might know the things that are freely given to us of God. (1 Corinthians 2:12)*

Father – oversees our spirit

As one who has operated well in the gifts of the Holy Spirit and seer giftings, I must say that I have long been able to distinguish each member of the Godhead speaking individually as an inner voice within me. However, **when I verbally asked Father, Jesus, and Holy Spirit to exercise dominion over the corresponding part of my nature...I stated to hear all three of them at the same time.**

Holy Union

I share this as something for you to look forward to. I call this **Holy Union**. This union is available to encourage us to the greatest possible intimacy with our very creator as well as a new level of power and purpose. This explains why it seems that every evil force in the universe works overtime to keep us from getting to this place.

Creating Holy Union

Verbally ask Father, Jesus, and Holy Spirit to exercise dominion over the corresponding part of our nature:

Father, I invite you to exercise dominion over my spirit.

Jesus, I invite you to exercise dominion over my soul.

Holy Spirit, I invite you to exercise dominion over my body.

.....

1 Corinthians 12:17

*If the **whole body** were an eye, where would be the hearing? If the whole were hearing, where would be the smelling?*

Whole = complete, entire; body = the sound whole

James 3:2

For we all stumble in many things. If anyone does not stumble in word, he is a perfect man, able also to bridle the whole body.

My Journaling on Friday:

*You noticed the wording of “whole body” in the Scriptures. When you see that, it is speaking of all that is contained within the physical form. Because you have a body, you also have a soul as well as a spirit. When the spirit leaves, the body dies. *The soul has no more purpose after the body dies for it was the interface for the 3D realm and Heaven.* Your soul lets your body know what it was experiencing from Heaven and translated it in a fashion that was acceptable. Your soul also protected you from overloads coming from the 3D realm. It had a specific purpose while the body lives.*

Although songs speak of the soul and “saving your soul” really you aren’t saving it, you are helping your spirit come alive to who you really are. Your spirit must be awakened to

its destiny and purpose. That is the process that starts with salvation and the salvation experience.

Without that process, the spirit is typically not awakened in people. New Agers awaken it to a degree but do so from the Tree of the Knowledge of Good and Evil. It must be awakened from the Tree of Life. Everything else is futile.

Most of the songs and sermons about saving one's soul are based on wrong or incomplete information. **As an awakened son, your soul is being transformed as you live from your spirit and your soul finds its proper place in the equation.**

Yes, you do have angels assigned to the 3 basic realms. They are typically unemployed until you awaken and commission your realms to work in unity and harmony to fulfill the plan of Father. **Once that is done and they are acknowledged, then those angels go to work fulfilling your destiny on a whole new level. They awaken you to sonship realities.**

They awaken you to sonship realities.

They awaken you to who you **can be** and **who you really are**. That can happen on some level without the commissioning of your realms, but it works better when they do. The Scripture in 1 Thessalonians 5:22²³ speaks to this:

²² Abstain from every form of evil

²³ Now may the God of peace Himself sanctify you completely; and may your whole **spirit, soul, and body** be preserved blameless at the coming of our Lord Jesus Christ. (NKJV)

Or,

²² Distance yourselves immediately from every practice remotely related to the fruit of the "I-am-not-tree," which is the typical exhausting law of works system.

²³ There, away from any effort of your own, discover how the God of perfect peace, who fused you skillfully into oneness - just like a master craftsman would dovetail a carpentry joint - has personally perfected and sanctified the entire harmony of your being without your help. He has restored the detailed default settings. **You were re-booted to fully participate in the life of your design, in your spirit, soul and body**

in blameless innocence in the immediate presence of our Lord Jesus Christ. (Emphasis mine) (Mirror)

Understanding how the Godhead works in concert with the whole being of man is helpful so you can understand who is speaking to you.

The nuances of the voice of each are important to learn and it will come over time for most who are pursuing these realities. It is the desire of the Father to bring forth these understandings so the Body of Christ can become what He has envisioned from before time. You are simply experiencing sonship realities and you do these things. Don't despair from the journey. Keep activating and implementing the revelation you receive. Let it bring forth life in you – life abundantly.

.....

Stephanie and I had been asking for revelation on the Realm Angels, so we accessed the Library of Revelation to learn more. Stephanie's realm angels appeared in front of her. They were to be our tutors. The soul angel and the body angel were the most predominant at this point. Her spirit angel was some distance away from her. It was pointed out that the body and soul angels had things to teach us first.

They pointed out to us that in Matthew 6:33 we read, "...seek first the Kingdom of God," they pointed out that when we seek the Kingdom, we could seek them out because they are part of the Kingdom.

The soul angel reminded us of the scripture "...a house divided against itself cannot stand."² When our house is divided, we cannot stand. These angels are designed to work together so that we can stand and be established in the things of the Kingdom.

When reading that verse, understand the converse of it – A house united CAN stand. "A three-fold cord is not easily broken." (Ecclesiastes 4:12)– with the three parts of you knit or wound tightly together you are better able to stand and withstand various challenges and assaults.

¹⁵ *but, speaking the truth in love, may grow up in all things into Him who is the head—Christ—*

¹⁶ *from whom the **whole body, joined and knit together** by what every joint supplies, according to the effective working by which every*

² Mark 3:25

part does its share, causes growth of the body for the edifying of itself in love. (Ephesians 4:15-16)

When verses use the phrase “whole body” it refers to all that is contained within the realm of the body which includes the spirit and soul. This passage shows that they can and should be **joined** and **knit together**.

Ephesians 2:20-22, speaking of us, says,

²⁰ having been built on the foundation of the apostles and prophets, with Christ Jesus Himself as the [chief] Cornerstone,

*²¹ in whom the whole structure is **joined together**, and it continues [to increase] growing into a holy temple in the Lord [a sanctuary dedicated, set apart, and sacred to the presence of the Lord].*

Colossians 2:19 reminds us:

*... from whom all the body, nourished and **knit together** by joints and ligaments, **grows with the increase that is from God**. (Emphasis added)*

*With our realms working in harmony with one another,
we will grow through an increase that comes from God.*

Our soul is not kicking against us. It is being a bridge and not a gatekeeper. Our body is flowing with the flow of Heaven and able to receive, not only from our soul, but also from our spirit directly.

In Him [and in fellowship with one another] you also are being built together into a dwelling place of God in the Spirit. (Ephesians 2:22)

We want to be a recognizable dwelling place of God in the realm of the spirit, not just in our spirit realm. Father has supplied angels who specialize in working in our personal realms. That is their sole duty. The realm angels look different than other angels. Their wings are different, and they glow. Often, they will glow in an array of colors. One minute pink, another minute purple. It is part of their variety and beauty.

Library of Revelation

In the Library of Revelation that we had accessed we were sitting at a table with a book in front of us. Printed on the front of it were the words, “What is Tandem?”

Tandem is the working together of two or more things.

She opened the book and read a rhyme, “Tandem is two and one and one and two. Not two in two or one in one and three parts or four and sometimes more.”

She turned the page and read, “Seek heavenly tandem constructs.” She was then being drawn to a scripture in Micah 2:13 which, on the surface, she did not understand.

Your leader will break out and lead you out of exile, out through the gates of the enemy cities back to your own land. Your king will lead you and the Lord himself will guide you. (Micah 2:13) (NKJV)

Your leader, is your spirit working with these angels.

They have gone back to that, a house divided. And I see that in three pieces divided. But when they come together, you're to break out of your exile.

In the Message translation it made more sense.

Then I, God will burst out all confinements and lead them out into the open. They'll follow their king and I'll be out in front leading them.
(Message)

If a house is divided because you're not in unity and harmony and there are fractures with different parts, when you come back together, you're a whole in unity and harmony. Then you're also in that with Jesus and with the Father and with Holy Spirit. You're coming out of the enemy's camp. He's losing his grip.

The angels wanted her to turn her page.

The angel on her right (her soul angel) was now highlighted right now and pointed her to a couple of scriptures about defiling one's soul. She also heard Ruth's entreaty to Naomi:

¹⁶ But Ruth said: "Entreat me not to leave you, Or to turn back from following after you; For wherever you go, I will go; And wherever you lodge, I will lodge; Your people shall be my people, And your God, my God.

¹⁷ Where you die, I will die, And there will I be buried. The LORD do so to me, and more also, If anything but death parts you and me." (Ruth 1:16-17)

They were implying to us that where we go, they go. We are NEVER without their presence whether we recognize them or not. Even to the depths of sheol.

⁷ Where can I go from Your Spirit? Or where can I flee from Your presence?

⁸ If I ascend into heaven, You are there; If I make my bed in hell, behold, You are there. (Psalms 139:7-8)

Because we have sought this information out as we begin to align the spirit, soul, and body, even the places where the body or the soul has been fractured, it can be rectified.

Realm angels do not need weapons. Those are for angels of other classes who work specifically with bonds, territories, and dimensions. Because our realms can be fragmented and put into different dimensions, they can work in those areas.

I commission you, body, soul, and spirit angels to work in tandem with one another, in tandem with the Father, the Son, and the Holy Spirit.

You may sense them simply step inside of one another. You may sense the energy coming from that.

James 5:16:

The effective, fervent prayer of a righteous man avails much.

When all our parts are in agreement with what we are doing answers can come on a large scale.

This is more than just a group hug. This is them become inside one another.

*When our soul, body, and spirit become tandem,
become one interchangeably, that is tandem totality.*

²⁰ *"I do not pray for these alone, but also for those who will believe in Me through their word;*

²¹ *that they all **may be one**, as You, Father, are in Me, and I in You; that they also **may be one in Us**, that the world may believe that You sent Me.*

²² *And the glory which You gave Me I have given them, that they **may be one** just as **We are one**:*

²³ *I in them, and You in Me; that they **may be made perfect in one**, and that the world may know that You have sent Me, and have loved them as You have loved Me. (John 17:20-23)*

Jesus prayed this for us. We have often thought he was just praying for the overall unity of the Body of Christ but now we know he was praying for the unity within each body in the Body of Christ. At the time he prayed this, Holy Spirit had not come on the scene in the earth realm. That was to come a few weeks later on the day of Pentecost. He would be included in the scenario at that time.

The explosive power of this in our lives will be like a ball of energy. The reverberation will be massive. Envision it like a tennis ball being hit with a tennis racket and going out really fast and really far. This is a place of reckoning against the enemy. It is not just a reckoning. It also wrecks the plans of the enemy. This is where we can do all things *in Christ*. The oneness – the totality of our spirit, soul, and body with the blood of Jesus and the name of Jesus will be the reckoning against the enemy, to be the effectual fervent prayers of a righteous man that avail much.
