

Instituting the Government of God in Your Life

Many humans have not understood their realms, and therefore they have not understood that they have the right to govern their realm. Part of the governing of one's realm is to establish shields of protection. This is the work of angels. Many have seen the need for protection, but few have understood that the shields also work to:

- Allow in the blessings of God
- Allow in the harmony of Heaven
- Allow the love of God
- Allow the associations He wants for us
- Allow the handshakes and the agreements of people that the Father wants us to have so we all can agree.

We have realms, and we are called to govern our realms. All three realms that are in a person's being are to be governed. There are other realms in our realm that intersect. For instance, we intersect the LifeSpring realm, so our realm is working with that realm, and we are helping to govern that realm. We can flow to any of those realms. We want to govern our realms with the help of angels. We can govern them using agreement with God, agreement with what He is doing, agreement with His timeline, agreement with His blessing, and commission our angels to make trades out of our realms—to allow in what the Father is speaking about us and to keep out what He is not speaking about. We can just ask our angels to see to the shields regarding these things.

Here is what strengthens a shield: worship of God; intentional alignment with His Word—spoken and verbalized; the releasing of angels; the request to the Father for angels; the request of things for angels (like elixir and weaponry); and the belief in the angels that He has given to the saints. He has made the angels for co-laboring, and He has given them to us for our good, that we can work with them well and they can do their job. Vocalizing all of this is helpful to these angels who work to keep shields in place.

*By vocalizing these things aloud,
we help establish them in
the atmosphere about us.*

When talking of governing ourselves, we are talking about a person, a three-part person: spirit, soul, and body. If we are talking about the spirit of that person, that spirit has a realm. That person's spirit must govern their realm. They can govern their realm with spiritual truth, with spiritual belief, with spiritual faith, with spiritual sight, and with spiritual activity. Remember that realms intersect and overlap. The realms both intersect from the innermost part (our spirit to our soul) and both also to our body realm (the container for the spirit and soul).

Our realm trades with other realms. The intent of our realm is to trade with other realms that have righteous trades to trade with us, so we can trade with them.

Take for example, Tom.¹ Tom had a trade with us that we are aware of. He was trying to expand the trade, but we were not in agreement with the trade that he was wanting to expand. We had a problem with it, so what was happening was his trading with us had been misaligned. He had a previous trade with us, but when he made it, the new trade was outside of the previous trade he had made. We were not willing to make the new trade, and because we were not willing to make that trade, the intersection of the realms could not happen.

What was happening was we were putting up or we were enforcing our shield against the trade, but the transaction could not have a resolution until we had heard back from his sphere in his realm. We believed that it was an unrighteous trade that he was trying to make—not because it was bad, but because it was outside of the boundaries of the original trade. Therefore, we were not receiving the new trade into our realm. The agreement did not feel balanced to us. One was being asked to give more than one was willing to give. That is a definition of being stolen from. The frustration from that situation creates a dissonance between the realms.

What exacerbates this dissonance is the lack of communication regarding what we are willing to trade and not willing to trade. When we communicate to Tom where we stand—what we are not willing to trade, then his realm will either align or retreat. If the choice is retreat, that's not negative. Do not put that in a good or bad category. It is a neutral category. Retreat means he is gone—he is retreating to think about it. He will either agree

or he will retreat. If he retreats, he may come back with another thing, or he may just take time to agree.

How shall two walk together, lest they agree?²

The Shields³

We want to commission our angels to work with what is meant to come through, because some things are meant to come through our shield. How will we know what is meant to come through our shield? They will have been written into books of Heaven about us.

Commission our angels to allow into our realm the things that are written in Heaven about us: the words of the Father, the books written about us in Heaven, the maps about us in Heaven, the potentials about us in Heaven. We want these things in the measured flow of Heaven to our realms. We have a role in this to work with the angels—to accommodate the trades, even with Heaven, with people, with structures, etc.

Declaration & Commission for Erecting Shields & Governing Realms⁴

I call the angels assigned to me to come near.

[Await the sense of their arrival. Once we sense their arrival], verbally say:

² Amos 3:3

³ For more about shields, see my book *Commissioning Angels*, LifeSpring Publishing (2022)

⁴ More teaching about engaging and co-laboring with angels and angelic commissions can be found in the books *Commissioning Angels* and *Engaging Angels in the Realms of Heaven* by Dr. Ron Horner.

I am a realm. I choose to govern my spirit realm in the name of Jesus through the love of God for me through my salvation—through my redemption in Christ Jesus, I govern my realm by agreement with God, agreement with what He is doing, agreement with His timeline, agreement with His blessing, and I commission my angels to make trades out of my realms to allow in what the Father is speaking about me, and to keep out what He is not speaking about me.

I commission my angels to see to the shields regarding these things. I choose to govern my realms with the help of angels, by agreement with God: agreement with what He is doing, agreement with His timeline, and agreement with His blessing.

I also choose to govern my soul realm, that it may grow and learn via my spirit the things of Heaven, so that my mind is renewed in the ways of the Kingdom of God. I choose to feed my spirit only that which is beneficial. I also choose to govern my body realm, that it be a healthy carrier of my spirit and soul realms, and that I be able to glorify God in my body.

I commission my spirit to govern my realm with spiritual truth, spiritual belief, spiritual faith, spiritual sight, and with spiritual activity.

I commission my angels to allow into my realm the things that are written in Heaven about me; the words of the Father, the books written about me in Heaven, the maps and keys for me in Heaven, the potentials about me in Heaven.

I want these things in the measured flow of Heaven to my realms.

I choose to work with the angels to accommodate the trades Heaven desires—with Heaven, people, and structures.

I commission my personal angels to erect my personal shields.

I commission my angels to engage the shields that are to be erected by Heaven for my life.

I commission my angels to work with Ezekiel, his commanders, and ranks regarding the shields they have erected and to work with the shield function of LifeSpring International Ministries.

I commission my angels to work with what is meant to come through these shields according to my book and to use and help me use my maps and keys.

I commission my angels to make trades out of my realms to allow in what the Father is speaking about me and to keep out what He is not speaking about.

I commission my angels to see to the shields regarding these things.

I commission my angels to work with the angels assigned to LifeSpring International Ministries to develop the shield all around my spirit realm, to strengthen it, to support it, to engage it, to keep it activated, and to see to it.

I commission my angels to allow in the blessings of God, the harmony of Heaven, the love of God, the associations He wants for me, the handshakes, and the agreements of people that the Father wants for me so we can all agree with the purposes and desire of God.

I also commission my angels to help me understand where a breach has happened in a shield so that I can work together with the angels to strengthen the shield.

I choose to strengthen my shield by the worship of God; by intentional alignment with His Word—spoken and verbalized; by the releasing of angels; by request of the Father for angels, by the request of things for angels (like elixir and weaponry); and by my belief in them, and that He has given them and made them for co-laboring; and He has given them to me for my good. I choose to work with them, so they do their job.

I declare these things in the name of Jesus Christ and commission the angels assigned to me to these things in time and out of time, in Jesus' name.

Children's church – if you don't have a plan for the children, they will have one for you!

Isaiah 9:6-7

⁶ For unto us a Child is born, Unto us a Son is given; And the **government will be upon His shoulder**. And His name will be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace.

⁷ Of the increase of His government and peace There will be no end, upon the throne of David, and over His Kingdom, to order it and establish it *with judgment and justice* from that time forward, even forever. The zeal of the Lord of hosts will perform this.

The Father has instituted that the government of God should be established: 1) In the earth, 2) In the church, 3) in your home, 4) In your life.

- If chaos reigns the government of God is absent.
- If peace reigns, the government of God is established to some degree.

Isaiah 42:1-9

¹ "Behold! My Servant whom I uphold, My Elect One *in whom* My soul delights! I have put My Spirit upon Him; He will bring forth justice to the Gentiles.

² He will not cry out, nor raise *His voice*, Nor cause His voice to be heard in the street.

³ A bruised reed He will not break, And smoking flax He will not quench; He will bring forth justice for truth.

⁴ He will not fail nor be discouraged, Till He has established justice in the earth; And the coastlands shall wait for His law."

⁵ Thus says God the LORD, Who created the heavens and stretched them out, Who spread forth the earth and that which comes from it, Who gives breath to the people on it, And spirit to those who walk on it:

⁶ "I, the LORD, have called You in righteousness, And will hold Your hand; I will keep You and give You as a covenant to the people, As a light to the Gentiles,

⁷ To open blind eyes, To bring out prisoners from the prison, Those who sit in darkness from the prison house.

⁸ I *am* the LORD, that *is* My name; And My glory I will not give to another, Nor My praise to carved images.

⁹ Behold, the former things have come to pass, And new things I declare; Before they spring forth I tell you of them."

Personal Governing:

I declare that the Kingdom of God shall reign this day in all my territories including my family, my body, and my personal and financial affairs. Peace shall reign, the government of God shall reign, the Counsel of God shall reign, the Wisdom of God shall reign – all the

attributes of the Kingdom shall reign and great shall be the release of the Glory in my territories and the landscape thereof.

This extends to all my children, and my grandchildren.

My children, grandchildren and sons-in-law shall all fulfill their destiny scrolls and their blueprints. They shall have a hunger for God and for the things of God. They shall not divert or become lukewarm in their journey but shall arise into their sonship this day.

Concerning my grandsons, I do not permit rebellion, defiance, dishonor, and bullying (whether to be bullied, or to bully others) to operate in their realms in any fashion at any time or in any dimension. I do not permit the introduction of drugs and other escapism mechanisms into their realms. Neither shall they be preyed upon by predators of any type. They shall have the friendships designed by Heaven in Jesus' name. I utilize Matthew 18:18-20 which says,

*Whatever I forbid on earth, shall have already been forbidden in Heaven.
And whatever I permit on earth, shall have already been permitted in
Heaven.*

*Again, assuredly I am saying to you, If two of you upon the earth are in
agreement, concerning every matter of which they ask that something be
given, it shall become theirs from the presence of our Father who is in
Heaven.*

[Find someone to agree with you on this point!]

I bless my wife, children, sons-in-law, and grandchildren this day.

Concerning My Body

Concerning my body, you shall not yield to viruses, bacteria, or fungi or any physical ailments, sickness, disease, malady, malfunction, or weakness. I govern my body. You shall be well, whole, and strong. You shall reflect the image of my body as it is in Heaven. You shall not succumb to allergies, sickness, or disease of any kind. I declare you well and whole NOW!
