

FREEDOM FROM THE QUEEN OF HEAVEN PRAYER

Father, I step into my position as a priest in behalf of those gathered here and those listening in.

I ask you to open the books for each individual's life and identify where the Queen of Heaven has been operating.

We cannot judge where we have been violated by the Queen of Heaven.

Some invasions have been so subtle and clever, we simply do not know.

We ask you to open the books from the moment we were conceived until the present.

We ask you to identify every place where your ancient enemy has hacked our minds.

Bring everyone of those illegal actions and thoughts before Your throne.

Your honor, I argue that the work of the Queen of Heaven is an insult to Your essence.

You are the faithful God and Your essence comes against the lie of abandonment.

And the Queen of Heaven has insulted Your essence of faithfulness.

I ask that you would destroy the power of every one of those thoughts she created and put in our minds that did not come from us.

And I ask Your Honor that You would identify every single place where we came into agreement with those lies.

We confess that we have agreed with the liar.

We have acted upon her accusations.

And in doing so, we have insulted Your essence as the faithful God.

And I ask that you would forgive us of that iniquity.

Now, Your Honor the Queen of Heaven has used human agents along the way to deliver the lies.

We choose to forgive every human who has lied to us in partnership with the Queen of Heaven.

We ask that you would destroy the power of agreement with them around non-truth.

We ask that every false verdict that has been set up in our lives against Your faithfulness and Your truth would be overturned and that righteous verdicts enforcing Your essence as a faithful God, full of grace and truth would be established in our lives this day. .

Now, Your Honor the Queen of Heaven has used human agents along the way to deliver the lies.

We choose to forgive every human who has lied to us in partnership with the Queen of Heaven.

We ask that you would destroy the power of agreement with them around non-truth.

We ask that every false verdict that has been set up in our lives against Your faithfulness and Your truth would be overturned and that righteous verdicts enforcing Your essence as a faithful God, full of grace and truth would be established in our lives this day. .

Deuteronomy 7:9 declares, "Therefore know that the LORD your God, He is God, the faithful God who keeps covenant and mercy for a thousand generations with those who love Him and keep His commandments."

Revelation 3:14 declares you as the True and Faithful witness and we come into agreement with Your Word concerning who You are.

There are groups of people who have come into agreement with the Queen of Heaven, even when we did not agree with them.

As a result false verdicts have been put in place that affect our lives and the lives of our family members.

We request that every one of these agreements be overturned in the Courts of Heaven today and replaced with righteous verdicts today.

We ask that you would destroy the power of their agreement with the Queen of Heaven against us.

Parents, teachers and religious leaders have spoken words from the Queen of Heaven against us.

Words spoken from the position of an office have an additional weight, but Your office as the Most High God is higher than any other office.

From Your office I ask you to destroy the power of the words spoken from another office.

Your honor, we recognize that we are not the first to fall prey to the Queen of Heaven.

All of our forefathers have been impacted by this spirit, some modestly so, others massively so.

We ask you to open the books in our generations, first of all the bloodlines, then every marriage line, and every adoptive line, and every civil or religious covenant line.

And in every place where the Queen of Heaven has come into our family line we ask that the blood of Jesus Christ would be applied.

We proclaim Your extraordinary righteousness.

Through Your life and Your righteousness You have vast earned authority.

You have never failed to be completely true and right and just.

So from the perfection of Your actions and Your essence we ask you to blot out these iniquities and bring the cleansing forward generation by generation to the present and extend it forward to a thousand generations.

We ask You to cleanse our spirit, soul, and body.

We ask You to cleanse our birthrights and our offices.

We ask You to disconnect us from all land where we have been contaminated by the Queen of Heaven and particularly from land where she has been enshrined and worshiped.

Now I request angelic assistance to evict and completely remove the Queen of Heaven and every one of the minions associated with you.

I request that they be taken to the Revelation 20 verse 3 abyss to remain for at least 1,000 years.

Queen of Heaven, you will release each individual fully.

You will release their brain, the spirit and their soul.

You will remove your devices from every area of their body.

You will not return.

Where I may have missed something in this prayer I request that Jesus Christ, as our ultimate attorney finish pleading the case to close every loophole in every individual.

I ask that you would send Your holy angels to deal with every recalcitrant spirit that doesn't want to leave.

You have designed us to only be the habitation of the Holy Spirit of Truth.

No one here is designed by You to house the Queen of Heaven in any way, shape, or form.

Lord Jesus Christ, You are the Great Physician and I ask you to move through each (my) brain and begin the tissue replacement.

You healed lepers with an exchange of tissue so I ask you to move through our brains, neuron by neuron in every space.

Find the tissue that has been involuntarily contaminated by the Queen of Heaven and her minions and find the structures that have been built by our repeatedly coming into agreement with the Queen of Heaven.

Remove the inanimate structures and the living tissue from our brain that has supported the Queen of Heaven.

Your Honor, every place in our brain that has been used as an altar to the Queen of Heaven, I ask you to tear down the altar and uproot the roots of it.

May the tissue in the brain be removed.

Your Honor, each of us are parts of organizations – cities, nations, families, businesses, and churches and many of those organizations have been co-opted by the Queen of Heaven.

She has placed a lie that has been institutionalized and everyone that is a part of that organization is expected to support the lie.

We proclaim that we serve Jesus Christ above every other covenant and every covenant we have knowingly or unknowingly entered into is subordinate to that covenant.

Every place where we have unknowingly or involuntarily submitted to the Queen of Heaven, we repudiate.

And I ask you to cleanse and edit our relationships with those organizations.

Jesus Christ said that we are in the world, but not of it.

We each have a national association (and some of us have more than one) and we ask you to cleanse and edit those corporate relationships we have.

We refuse to submit to or honor the Queen of Heaven in any way.

We ask you to close the door to the access from these organizations.

Your Honor, in Your Word You declare that You are a God of vengeance and that You will avenge Yourself.

We invite You to build structures in our brain that were never present before.

We invite You to not only restore tissue to the original template, but to build out above and beyond anything we have ever had before.

Your Honor, I ask you to do a very specific vengeance.

I ask You to identify the number of times our mind has been hacked by the Queen of Heaven.

In the Mosaic Law You had specific numbers of restitution (2 X for this, 4 X for that).

You know what justice is in this situation.

We ask the Holy Spirit to invade our mind (not just generally, but precisely mathematically).

Just as a stolen lamb had to be replaced with 4 more, we ask that the Holy Spirit would invade an exact number of times.

I ask that Holy Spirit would speak to us thoughts we never would have pursued on our own.

Things we don't even know how to wish for, we ask you to wish for us.

Give us justice against Your ancient enemy and let the Holy Spirit redefine our thinking patterns in the weeks to come.

We come as a company of God's people and we ask these things in agreement in the name of Jesus Christ.

AMEN.
