

Capturing Infiltrations into Your Life

Recently I realized that we had minimal information about the Red Capture Bags. The imagery of a bag of certain colors is how Heaven described to us some additional weaponry we have access to. I wrote about capture bags in various blog posts and included that information in *Lingering Human Spirits – Volume 2* and in *Dealing with Trusts and Consequential Liens in the Courts of Heaven*. I accessed Heaven with Stephanie and asked to meet with Malcolm, one of our tutors, to gain more understanding.

Malcolm appeared, carrying a Red Capture Bag of reddish-orange color. The overall purpose of the Red Capture Bags is to capture enemy infiltrations into our lives. These infiltrations could come in many ways, but the bottom line is that they are a trespass in our lives that we may have inadvertently opened the door to.

Malcolm pointed out that the **'how'** did not matter. It was the **'when it happens'** that matters.

Infiltrations happen when we are most vulnerable.

First comes the voices, and then comes the infiltration.

This statement reminded us of my blogs about how Adam did not govern the voices he heard in the garden and subsequently succumbed to those voices.

*When you don't govern the voices,
you allow the open door for the infiltration.*

Malcolm exclaimed, "That's the **WHEN.**"

We have a responsibility to be a governing son, but remember; an infiltration needs to be dealt with swiftly.

What is the protocol for dealing with infiltrations?

Malcolm explained,

1. "Ask to have a seat at the table where the Father has created a table in the presence of your enemies (Psalm 23:5).
2. "Speak to Him (the Father), acknowledging your failure to govern the voices.
3. "Then allow the Father's all-encompassing love and ability to minister to you in that moment that keeps you at the seat at the table, and
4. "Instruct the angels with the capture bags to capture the infiltration."

Malcolm continued, "It will be an all-consuming fire for the infiltrators. This is about the Kingdom of Heaven; these are the King's kids. An infiltration is not looked upon lightly. It is a trespass of the greatest kind because you are at your weakest point.

"Weakness is not a governing tool. It is to be conquered, and it can be by having a seat at the table. This is the concept of 'when you are weak, He is strong.'"

Then he asked, "What happens at a table?"

Stephanie replied, "Typically, we sit at a table to eat and drink."

Malcolm suggested, "Have your fill."

Explaining what she saw in the spirit, Stephanie said, "Malcolm showed me an image of something being captured. It was placed in the bottom of the bag, and the angel holding the bag closed it and then opened it again. What was in the bottom of the bag was instantly gone; it was incinerated."

Malcolm closed by saying, "Good stuff, right?"

We agreed with Malcolm and thanked him for the information. We now had more understanding to add to the information already given concerning the capture bags. Remember to quickly capture thoughts and whispers that are trying to plant seeds of

doubt or misunderstanding in your mind. Ask your Soul Realm Angel to capture thoughts that do not bring life to you. Utilize the resources of Heaven to enrich your life and keep you out of trouble.
