

## Misogyny within Freemasonry

### Courts of Heaven Paradigm Prayer for the Misogynistic Spirit

*We ask to step into the Courts of Heaven through Jesus. We request access to the Mercy Court and request our Cloud of Witnesses, our angels and the angels of our ancestors who have been witnesses to these matters to be present in this court, in the name of Jesus.\**

*We request the accuser of the brethren to be present and any and all other entities that are a part of this case.\**

*Heavenly Father, on behalf of myself and my generational line...*

*We come into agreement with the accuser of the brethren regarding these iniquities and sins that either I have committed or my generations, according to Matthew 5:25-26.\**

*I repent for and renounce all hatred and dishonor of women.*

*For myself and my family line, I repent for and renounce engaging in forced marriages, prostitution, and treating women as objects, to be bought and sold without regard to their safety or calling for the purpose of sexual exploitation or financial gain. I repent for all who used women, particularly older or unattractive women, as slave labor. Lord, please break off all the consequences on my family line for those who were treated as burdens and rejected as worthless because of their feminine gender.*

*I repent for and renounce for myself and my family line for all who considered women a little better than animals, without spirit or genuine intelligence. I repent for all who enforced female genital mutilation to control and subdue women. I repent for all who believed the lie that women were created first and faulty.*

*For myself and my family line, I repent for and renounce all who accepted a practice that enabled the owners of feudal estates to deflower virgins on their wedding night. I repent for all who valued women based on proof, real or imagined, of their virginity. I repent for all who dehumanized women by romanticizing them as pure and untouchable or demonizing them by reducing them to only sexual roles. More specifically, I repent for all who were deceived by the manifestation of the misogynistic spirit known as the Madonna/whore complex.*

*For myself and my family line, I repent for and renounce the generational hatred of the female gender that led to the infanticide of girls in many cultures. I repent for all who murdered women.*

*For myself and my family line, I repent for and renounce getting hysterectomies without medical cause to solve emotional distresses in women.*

*For myself and my family line, I repent for and renounce all participation in dishonorable legal practices regarding women, withholding from them the right to own property, to have custody of their own children, or to have a voice in their own lives.*

*For myself and my family line, I repent for and renounce all participation in legal violence against women. I repent for all who committed financial abuse against women, refusing to provide for them.*

*For myself and my family line, I repent for and renounce denying women access to education to subjugate them. I repent for all who have denied women access into various trades because of fear and greed, which denied them a way to provide for themselves. I repent for all who devalued the equal physical labor of a woman by seeing it as less than equal.*

*For myself and my family line, I repent for and renounce committing violence against women during the days when women peaceably demonstrated for the right to vote.*

*For myself and my family line, I repent for all who engaged in abortion, forced or voluntary and renounce this act. I repent for all who participated in corrupt medical practices, such as the outlawing of forceps, because of a belief that women were to suffer during childbirth.*

*For myself and my family line, I repent for all who participated in medical practices that administered drugs, not to relieve pain, but to disorder a woman's mind so that she would not remember giving birth and then removed the baby forcibly while the mother was trapped in restraints.*

*For myself and my family line, I repent for all who have participated in medical practices that ignored the needs of the mother and gave preference to the doctor, practices such as giving unnecessary cesareans, episiotomies, and all other procedures that treat pregnancy as an illness.*

*For myself and my family line, I repent for all who valued women solely on the basis of their ability to bear children, particularly male children. I particularly repent for all those who blamed their wives for the failure to produce children.*

*For myself and my family line, I repent and renounce for all who have objectified women by valuing them solely on the basis of their beauty. I repent for all who have debased women by participating in pornography and prostitution.*

*For myself and my family line, I repent for and renounce any rejection of women based on flaws in comparison with the beauty standard of the time. I repent for all who fixated on female beauty and missed the genuine beauty that God placed within woman.*

*For myself and my family line, I repent for all who have twisted the original intent of the submission of women in marriage, dishonoring the knowledge that women are co-heirs with Christ, and I renounce their error. I repent for all who have used their authority to humiliate, abuse, and control women.*

*For myself and my family line, I repent on behalf of all of the mothers in my generational line who failed to bond with and support their children and passed on a distrust and hatred of women, and I renounce this failure to love. I repent on behalf of the children in my generational line who held bitter root judgments against their mothers and sisters and opened a door to misogyny.*

*For myself and my family line, I repent for all who have been deceived by the feminist mindset, which views God, marriage, and motherhood as the primary avenues of violence against women, and I renounce this mindset. I repent for all who rejected their roles as women. I repent for all who have dishonored women by this rejection.*

*In the name of Jesus of Nazareth, I forgive everyone who has hurt me and my family by agreeing with and acting in a misogynist spirit.*

*Father God, please cleanse all misogyny from my generational line and restore to the women in my family line the place you originally intended for them. I ask you to bless them with the knowledge of Your love, and a desire to claim their inheritance, and an acceptance of their calling in You.*

[Women, pray the following paragraph also.]

*I repent for and renounce my personal agreement with the woman-hating spirit. I now break every curse I have spoken over myself, including my body and its functions, in the name of Jesus. I repent for and renounce any spiritual rebellion or anger over the choice of my*

*Heavenly Father to create me as woman. I accept my female gender and bless it in the name of Jesus.<sup>1</sup>*

[Pray this next section also.]

*In this Court, Your Honor, as I look towards my generations, I say to my generations, “You did not know what you were doing, and because Jesus has stated that whoever sins I forgive are forgiven, I choose now to forgive you for enacting these iniquities and sins upon the generations. I bless you, and I release you in the name of Jesus.*

*I ask to bring in everyone who has ever treated those in my generations in a misogynistic manner. I realize that we wrestle not with flesh and bone but with powers and principalities and rulers of darkness in wicked places and that the enemy used you to inflict harm upon me and those in my generational line. Because Jesus forgave me, I forgive you, bless you and release you in Jesus’ name.*

*In every instance in my generations where females were raped, molested, or violated in any manner, I repent. I ask Your forgiveness, Father. I repent to the women in my generations for stealing from them their honor, and for violating them, nor honoring them, disrespecting them, and using them for self-gratification.*

*I repent for the trauma this created in their realms and for the theft of wholeness that was perpetuated. I repent for those who committed these heinous acts and for those who perpetuated these acts, as well as for those who condoned or encouraged them and for those who turned a blind eye and a deaf ear to the cries of those who were violated.*

*I repent for the labels placed upon them as a result of these wicked deeds and ask that every label, every title, every disparaging remark be forgiven and removed from their lives.*

*I request that by Your great mercy, Your Honor, that you heal those in my generations who experienced these things. Heal the trauma of all who were impacted by these deeds.*

*Your Honor, I request for all involved and impacted by these wicked acts, deeds, and mindset, the Amendment of As If It Never Were.*

*By faith, I receive your righteous verdict and allow Your peace to be my umpire. Thank you, Just Judge and the Courts.*
