

## The Banner of Love

We received an email from one of our intercessors who had learned that LHS's (Lingering Human Spirits) under assignment were being used to place ungodly bonds on our bond registries. He was seeing these ungodly bonds, particularly on the Family Page of the Bond Registry. We had not been aware of that and immediately sought Heaven for the solution. This engagement is about Heaven's response to us. Lady Wisdom would be our instructor.

As we engaged, Stephanie described what was occurring, "Heaven is having me step in and go to see the Bond Registry. I'm receiving my own Bond Registry right now. I'm going to sit down, like I normally do, and have Heaven help me with this. I'm going to sit with Wisdom. Wisdom, can you tell me about how LHS'S can release ungodly bonds?"

Wisdom replied, "Do you know that you are in a war? If you were a general in a war, would you not use any and all tactics to win the war?"

Stephanie responded, "Yes, we would."

Wisdom continued, "Think of it in these terms. The enemy cannot be everywhere at one time. So, his usefulness of LHS's has come to the forefront."

Stephanie asked, "Can you give us the one, two, and three about this for the sake of teaching?"

Wisdom remarked, "The reason the intercessor is picking up these ungodly bonds from LHS's on the Family Page is because that's where the bonds are landing. But you don't have to come to a specific page to see where LHS'S would be used."

Stephanie queried, "Where do we come to see?"

Wisdom responded, "How do you look for LHS's? You look for them, oftentimes, in the ledger known as the Guest Registry."

Stephanie commented, “Wisdom, immediately my soul got extremely tired because I was thinking, ‘Oh my goodness, now we're going to have to find out who the name of the LHS is and what the bond they're putting on us.’”

Wisdom replied, “No, no, no, this was for the sake of understanding. You don't have to go to the Family Page or the Business Page. You can find out from Heaven if this has been happening. Or, in your case, when it's been happening.”

Stephanie asked, “Before we move on, Wisdom, is this something that the majority of people are going to have to start contending with the fact that there are LHS's releasing ungodly bonds?”

Wisdom replied, “You are in a war, and they have found the tactic. Let's shut down the tactic.”

Stephanie replied, “That's what I want to hear. Number 1, we know that we don't have to go and get the bond registry to see this, right, Wisdom?”

Wisdom answered, “Correct.”

Stephanie continued, “What would we call this for the sake of teaching?”

Wisdom said, “This is the fun part. You get to sit with me, Wisdom! It will take Wisdom to win this war.”

Stephanie responded, “We will come in and sit with you, Wisdom. What next?”

Wisdom continued, “I will show you the why. When you know the why, you can know the how.”

Stephanie replied, “Okay, Wisdom. Can you tell us why?”

Wisdom replied, “Because you are in a war. Do not think that the enemy is unwise in understanding tactics that are godly. He will try to usurp, in every way, the godly *to* the ungodly. He has learned this process. Remember, he cannot learn anything in and of himself but what is taught from God. Let us put up a standard against him. What does the word say about a standard?”

I interjected, “Isaiah 59:19: ‘When the enemy comes in like a flood, The Spirit of the LORD will lift up a standard against him,’ or as another translation puts it:

*When the enemy comes in like a (flash) flood would put the enemy to flight. So, the spirit of the Lord will put the enemy to flight.*

Stephanie remarked, "So, we have had the commas in the wrong space of what we've been reading. The flood is what the Spirit of the Lord is doing to annihilate the enemy. I like that translation better.

Wisdom asked us, "What is the standard?"

I replied, "It's a flag?"

I added, "Jehovah's Nissi – The Lord my banner."

Wisdom asked, "How do you defeat the enemy, and what are LHS's?"

Stephanie said, "I get it. Love is how you defeat everything. Love the LHS's They are people.

I interjected, "Look at the Song of Solomon 2:4:

*He brought me to his banqueting house, and his banner over me was Love.*

Stephanie asked, "So, how do we do this?"

Wisdom replied, "Bring them into the Kingdom."

Stephanie exclaimed, "Of course! This is part of the big ministry of LHS work, Wisdom. Love and LHS's, His people. We're going to love them by bringing them into the Kingdom. I get it."

Wisdom remarked, "The seniors are already dealing with bonds, and so are many of the people who are stepping in for themselves. This isn't a next step; this is *the* step. Love is the key."

Stephanie asked, "What would the protocol be?"

Wisdom replied, "When you step into the Court of Records, ask for your records and the records of those human spirits that have been speaking against you. You are able to

do LHS work, the glorious work of bringing home the sons with the strike of a quill. It is as if it never were.”

(Her remark about the strike of a quill reminded us of a prior engagement and how we, as sons, can use the quill of a pen to strike ungodly bonds from the record books.)

Stephanie remarked, “So, we are getting our Bond Registry; we are asking about the LHSs – the human spirits that have been releasing ungodly bonds against us, and we’re going to forgive, bless, and release them. This is simple. I was thinking it was going to be hard.”

Stephanie then read Isaiah 11:12:

*He will set up a banner for the nations and will assemble the outcast of Israel and gather together the dispersed of Judah from the four corners of the earth.*

“That’s the strength we can walk in and not be afraid. His banner is love. Thank you, Father, for your love for your people, even the human spirits. We know they’re tormented, and we know they’re in pain.”

I asked, “How do we deal with the bosses, or do we simply strike the assignment?”

Stephanie interjected,

*Since we are forgiving them of every sin under the sun, we would like for the paperwork to be brought forward about every human spirit that has been assigned that has been placing ungodly bonds. I would like for the angels to gather them up, and we want to speak to you and tell you, I know you’re in pain. Jesus died for you and for every sin under the sun you’ve ever committed, you and your generations, Jesus came and died for them once and for all. And whether you want to or not, whether you believe it or not, today, you’re going to be at His feet. When you see Him, I suggest you ask Him for mercy.*

*Father, I stand in the gap. Ron and I stand in the gap on behalf of these people. Yes, we agree with their adversary, that they have sinned. Every sin under the sun is egregiously against you. Father, they have had profane worship, innocent bloodshed, every sexual sin imaginable, every*

*movement of the boundary stone, every theft, everything that you died for, Jesus, we ask for the blood to cover them because out of Your love for them, you've extended that to us and we can do it for them. We do indeed forgive you, bless you, and release you.*

*We thank you, Father, for your righteous verdict of love, the banner of love over them. We're requesting that the Song of Solomon 2:4, Isaiah 11:12, and Zechariah 9:16 be placed in the Court of Supplications on behalf of LifeSpring, for Ron, Adina, myself, and everyone else, that these stand as the banner of love on behalf of the human spirits. Those that have the understanding of LHS's – human spirits, and those that do this work will have these strategies set against them. They will use the banner of love.*

*We also request, in the courts, the quill and a full strike-through of every ungodly bond that these LHS's put on the records of all of us, and we request the amendment as if it never were and the blood of Jesus. As we speak to each of them and say, we forgive, bless, and release you.*

*Angels, step them over and cleanse the realms. I'm asking for a full cleansing of the bond pages of all of the records, in Jesus' name. I'm asking that on behalf of LifeSpring and the entities that are underneath it, and that the Banner of Jehovah Nissi, that actual flag be flown and staked in the ground, flown for all to see in the spirit, in the name of Jesus.*

Stephanie then read Zechariah 9:16:

*The Lord their God will save them on that day as the flock of his people. For they shall be like the jewels of a crown lifted like a banner over his land while jewels of the crown.*

Stephanie closed by saying, "Remember, I heard before we stepped in – this has something to do with the crown."
